

CU Code
3191-000Employer
Classification**Compressor, Pump, and Industrial Fan Operations**

Status

Compulsory under Schedule 1

Scope

Business activities include manufacturing compressors, pumps, industrial fans, and blowers.

This category also includes the manufacture of

- blowers, industrial, and parts
- compressors and parts, air and gas
- fans, industrial, and parts
- household water pumping systems, self-contained
- power ventilators (including roof unit)
- pumps (centrifugal, reciprocating, rotary) and parts (excluding hydraulic power pumps and fuel dispensing pumps).

Maintenance, service or repair on *mobile* industrial machinery and equipment falling under this CU is considered incidental to the manufacturing activity.

One-off maintenance or repair is included as an incidental activity and is not classified separately.

Excluded is the taking of contracts to maintain, service or repair stationary industrial machinery and equipment whose manufacture falls within this CU, and is classified in G-707-05, Industrial Maintenance and Repair Contracting.

Note

The on-site erection, hoisting, installation, dismantling, removal, or re-installation of large-scale, stationary machinery and equipment whose manufacture falls within this CU is classified separately according to the listing for G-737-01, Millwright and Rigging Work.

Mobile is defined as requiring mobility (either self-propelled or towable) for its operation. *Stationary* is defined as permanently fixed or mounted in place.
