

CU Code
5722-000Employer
Classification

Mining Machinery and Supplies, Sales

Status

Compulsory under Schedule 1

Scope

Business activities include the sale of new or used mining, oil well, and oil refining equipment, supplies and parts.

This category includes products such as

- agitators, crushers and classifiers, mine
- ball, rod and pebble mill machinery
- drilling muds and compounds
- flotation machinery, ore dressing
- mining machinery
- natural gas field production equipment
- oil refinery parts, accessories, supplies
- oil refinery machinery and equipment
- oil well machinery and equipment
- oil well sucker rods
- ore dressing machinery
- petroleum cracking catalysts and compounds
- petroleum production machinery and equipment
- vibrating and screening equipment.

Maintenance, service or repair on *mobile* industrial machinery and equipment falling under this CU is considered incidental to the sales activity.

One-off maintenance or repair is included as an incidental activity and is not classified separately.

Excluded is the taking of contracts to maintain, service or repair *stationary* industrial machinery and equipment whose sale falls within this CU, and is classified in [G-707-051-933-08](#), Industrial Maintenance and Repair Contracting.

Note

The on-site erection, hoisting, installation, dismantling, removal, or re-installation of large-scale, stationary machinery and equipment whose sale falls within this CU is classified separately according to the listing for G-737-01, Millwright and Rigging Work.

Mobile is defined as requiring mobility (either self-propelled or towable) for its operation. *Stationary* is defined as permanently fixed or mounted in place.
