Classification

---

**Other Services to Buildings and Dwellings**

---

## Status

Compulsory under Schedule 1

## Scope

Business activities include cleaning the exteriors of buildings and dwellings. This includes painting as an incidental activity.

Also included is the cleaning (with incidental painting) of large-scale industrial equipment, machinery, and structures such as blast furnaces.

This category includes activities such as

- eavestrough cleaning
- high pressure waterblasting
- mobile steam cleaning
- sandblasting.

## Note

For information on classifying construction work by contract, see the section titled "Classification of Construction Activities" in The Classification Scheme, document 14-01-01, located in the *Operational Policy Manual* and in the Reference section of this Manual.
