Classification

Janitorial Operations Amendment/08

Status

Compulsory under Schedule 1

Scope

Business activities include cleaning the exteriors of buildings and dwellings. This includes painting as an incidental activity. Also included is the cleaning (with incidental painting) of large-scale industrial equipment, machinery, and structures such as blast furnaces.

Business activities also include the custom cleaning and maintenance of buildings and dwellings where the employer does not own or lease the buildings.

This includes

- floor cleaning and waxing
- interior wall washing services
- janitorial services
- maintenance of buildings and dwellings, janitorial
- office cleaning
- emergency cleaning.

Also included is ~~ground-level~~ window cleaning, the cleaning of windows in foyers, and the cleaning of canopies, coverings, roofs, or skylights made of transparent or translucent material, **but only** when one or more of these activities forms part of a general janitorial contract. See I-923-06 Window Cleaning

This category includes the cleaning of aluminum or vinyl siding, as well as the cleaning of ~~eavestroughs~~, fascia, or soffits **but only** as part of a general siding cleaning contract.

Also included is

- chimney cleaning or sweeping (for residential buildings only) and
- duct cleaning and
- eavestrough cleaning;
- high pressure waterblasting, and
- mobile steam cleaning.

Excluded is sandblasting (see G-748-05, Painting of Structures).

The provision of cleaning services to private households, except emergency cleaning, is classified in I-944-19, Domestic Services.
